

Questions

- Are there enough Police Precincts to cover the criminal hotspots of the county?
- Can Police Precincts respond within reasonable time?

Methods

- Hotspot Analysis of County Crime
- Network Analysis of Police Precincts
- Metro Nashville Police can utilize the intelligence method via GIS to determine where future precincts will be needed.

Conclusion

- Criminal hotspots of Davidson County are currently covered by police precincts and can be reached within a 10-to-15-minute timeframe.
